

Swift School Tutoring Program

Swift School Tutoring Program is offered year-round and open to all students. For students needing extra support after-school or in the summertime, Swift's program provides a comfortable environment for students to build on academic skills. They receive one-on-one care and support from tutors who are Swift teachers, Orton-Gillingham trained and committed to excellence. Tutoring sessions are designed to meet the individual needs of students in reading, writing, language, math, and study skills.

Language Tutorial

Uses a multi-sensory approach to teaching reading, writing, and spelling based on Orton-Gillingham principles

Reading Comprehension

Focuses on comprehension skills such as vocabulary, sequencing, inferencing, character analysis, etc.

Study Skills

Teaches compensation techniques, organizational strategies and study skills for note-taking, and daily homework assignments

Math

Uses a multi-sensory approach for skills ranging from addition to algebra, word problems to computation skills

Tutoring Policies

- The tutoring schedule will be established prior to the initial meeting. A minimum of five sessions are required.
- Tutoring rates are \$80 per session. Please make checks payable to Swift School.
- A minimum of five sessions must be paid before the first tutoring session.
- Once a schedule is established, it is essential that the student not miss sessions, as refunds are not available. Any substitutions must be pre-approved.
- All tutoring will be at Swift School.

Thank you for your interest in the Swift Tutoring Program. We look forward to providing a quality tutoring experience that will impact your child for years to come.
